

ALL IN ONE RHINOPLASTY CONGRESS 9 LIVE SURGERY SYMPOSIUM

03-05 MAY 2024
ISTANBUL

FINAL FACULTY

CO PRESIDENTS

TEACHER OF HONOR

GUESTS OF HONOR

RESULT IS THE KING

Surgicall ACADEMY

9th ALL IN ONE RHINOPLASTY SCIENTIFIC PROGRAM

Day 3 / 3 MAY 2024

- 08:00 Welcome Remarks / Introducing the Honorary Guests *Dr.E.İlhan / Dr.F.Apaydın / Dr.E.Çakmakçı*
- 08:10 Masterclass: My Hybrid Approach to Dorsum and Tip in Primary Rhinoplasty: Why and How? *Dr.E.Robotti* (40 mins)
- 08:50 Masterclass: The Precision Rhinoplasty Philosophy : Dorsum-Sidewall/ Sidewall-Bony Base transitions / Precision is the New Preservation? *Dr.E.İlhan* (30 mins)
- 09:20 Masterclass: The Precision Preservation Rhinoplasty *Dr.J.Carlos Neves* (30 mins)
- 09:50 Coffee Break (coffee will be served all day)
- 10:00 Live Surgeries (Moderators:*E.İlhan / S.Gode*) (Moderator in O.R. : *H.Özay*)
Live Surgeries 1: *Dr. Froilan Paez* Primary Rhinoplasty with Fusion Techniques
Live Surgeries 2: *Dr.Tevfik Sözen* Structure Rhinoplasty
- 12:30 LUNCH (Live Surgery Transmitted to Exhibition Area)
- 13:30 New Concepts and Approaches (Moderators *P.Regalado / B.Baser*) (7 mins Each)
- Anatomy of the nose (skin, bones and muscles) *Dr.P.Regalado*
 - Finesse in piezo assisted bone cuts ,beyond the classic lines of osteotomy *Dr.A.Rajae*
 - Septoplasty and Septorhinoplasty in children current status *Dr.B.Baser* (14min)
 - Precision Rhinoplasty for the Crooked nose *Dr.S.Turan*
 - My Hybrid Rhinoplasty Approach *Dr.M.Shbair*
 - Combining power tools and Piezo: why and how *Dr.E.Robotti*
 - Double Septal Extension Graft 'The Lego Concept' *Dr.G.Romero*
 - How to deal with hard nostrils 'How to control the footplates' *Dr.S.Gode*
 - Discussion
- 14:30 Preservation Rhinoplasty Re-Visited (Moderators : *B.Floria / T.Sözen*) (7 mins Each)
- Cartilage preservation techniques in rhinoplasty *Dr.R.Cobo*
 - When and why i perform Preservation Rhinoplasty 'My patient selection criterias' *Dr.A.Evlice*
 - Splitting the middle vault in cartilaginous push down and full letdown: the technique and rationale *Dr.E.Robotti*
 - Applying preservation rhinoplasty in the mestizo and latin nose." *Dr.H.Valdes*
 - Combination of Structural and Preservation Rhinoplasty Techniques. *Dr.T.Sözen*
 - Osteotomies in preservation rhinoplasty *Dr.B.Floria*
 - Natural Aesthetics lines on thick skin patients/ preservation + Hybrid Rhinoplasty - Ethnic Rhinoplasty *Dr.G.Romero*
- 15:30 Coffee Break
- 16:00 The Bony and Cartilaginous Framework (Structure-Precision-Preservation) (Moderators:*A.Evlice/J.Galindo*) (7mins each)
- My Approach to Nasal Dorsum *Dr.F.Apaydın*
 - Structural contours in the open and closed roof for Maximum Dorsal Definition *Dr.F.Paez*
 - Piezo Ultrasonic Rhinoplasty 'why to combine with burrs?' 10 years and over 2000 Cases *Dr.E.İlhan*
 - Reshaping the bony framework *Dr.H.Balıkçı*
 - Straight versus curve dorsal profile based in patient's preferences - *Dr.J.Galindo*
 - My Approach to Dorsum and Middle Vault *Dr.S.Başşkan*
 - Setting up the Dorsal Sidewall Transitions with Precision Powered Instruments in Dorsal Re-Shaping *Dr.H.Özay*
 - Osteotomy Techniques in Structural Rhinoplasty *Dr.A.Evlice*
- 17:00 Crooked /Deviated Nose; Middle Vault and Caudal Septal Problems Moderators: *C.Cabbarzade- G Kayabasoglu* (7 mins each)
- Management of middle third in Endo-nasal Rhinoplasty *Dr.A.D'Souza* (18 mins)
 - Caudal Septal Deviation proposed classification and Management *Dr.B.Baser*
 - Caudal Septal Deviations and Proper Approaches Relations with Alar Base *Dr.E.İlhan*
 - Nasal Osteotomies: Piezo & Micro-Osteotom Combination *Dr.N.Dadaszade*
 - Radix high spreader grafts , a novel technique to augment and define the nasal dorsum *Dr.F.Paez*
 - Septal Approaches in Crooked Nose Patients *F.Apaydın*
 - How I manage a deviated nose? *Dr.C.Cabbarzade*
 - Management steps in crooked nose/face" *Dr.G.Kayabasoglu*
- 18:00 Keynote Lectures From The Teachers of Honor. Moderators:*J.Carlos Neves /E.İlhan* (10 mins)
- Correction of short nose deformity *Dr. YJ Jang*
 - Personal philosophy in management of Thick Skin and Soft tissues in Rhinoplasty *Dr.A.D'Souza*
 - Cone beam CT scan, why it matters practically *Dr.E.Robotti*
 - Endonasal Rhinoplasty-The Italian Way *Dr.I.Tasca*
 - The New Septocolumellar Suture Classification *Dr.F.Apaydın*
- 19:00 End of Day 1
- 20:30 The Opening Cocktail Hilton Bosphorus Hotel

Day 5 / 5 May 2024

08:00 : **Keynote Lectures: Moderators :A.R.Mesbahi- A.Joshi (12 mins each)**

- Secondary Rhinoplasty: Endonasal solutions - Courses and appeal in Rhinoplasty **Dr.I.Tasca**
- Dorsal augmentation using finely diced cartilage with fibrin glue graft - **Dr.R.Cobo**
- Nasal Osteotomies : Practical Tips & Tricks **Dr.A.R.Mesbahi**
- Management of the thick skin rhinoplasty patient **Dr.R.Cobo**
- Achieving the Truly Natural dorsum in Secondary Rhinoplasty: the SPF-SPLF graft **Dr.E.Robotti**
- Preservation Concepts in Revision Rhinoplasty **Dr.M.Ferraz**
- Septal Perforation Repair with Flaps **Dr.A.Joshi**
- Frequent Rhinoplasty Complications **Dr.S. Bafaqeeh**

10:00 **Coffee Break**

10:10 **Live Surgeries Structure and Preservation Meets (Moderators:E.İlhan/F.Paez/T.Sözen) (Moderator in O.R. : H.Özay)**

Live Surgeries 1: Dr.Ali Evlice Preservation Rhinoplasty

Live Surgeries 2: Dr. Hüseyin Balıkcı Primary Rhinoplasty Structural/Precision

12:30 **LUNCH (Live Surgery Transmitted to Exhibition Area)**

13:30 **Thick and Thin Skin and Its Management (Moderators : H.Valdes, P.Regalado) (8 mins each)**

- Medical management of thick skin in rhinoplasty **Dr.P.Regalado**
- How to deal with thin skin patients **Dr.E.M.Serna**
- Thick skin protocol. Preop, intraop and postop management **Dr.F.Paez**
- Thick skin management **Dr.H.Balikci**
- 10 tips around the thick skin patient: how to get a better result **Dr.H.Valdes**

14:30 **More Tip Surgery :Septal Extension,ANSA Graft and Columellar Strat Grafts (Moderators: C.Cabbarzade ,V.Sunter) 7 mins each**

- Usage of different types of SEG in tip surgery. **Dr.A.Joshi**
- Lateral Septal Extender graft . The most versatile tool for correcting columellar projection and deviation **Dr.F.Paez**
- My approach in short columelas. **Dr.F.Keim**
- Alar cartilage problems in crooked nose. **Dr.V.Sunter**
- Lateral columellar grafting **Dr.C.Cabbarzade**
- Lateral Alar caudal Strut graft. **Dr.U.Quijano**
- Thick skin rhinoplasty without SEG **Dr.V.Tas**
- My way to use ansa banner **Dr.A.Furlong**
- Supratip breakpoint management **Dr.O.Erol**

16:00 **More Hybrid Techniques to make it better. (Moderators: Dr.I.Villareal,Dr.A.Camcioglu) 7 mins each**

- Laser and exosome treatment for Rhinoplasty scars **Dr.I.Maria Villareal**
- Middle Vault Surgery by Endonasal Non Destructive Technique **Dr.A.R.Mesbahi**
- Rhinoplasty on noses with fillers **Dr.T.Sözen**
- Asymmetrical Columellar Graft **Dr.A.Camcioglu**
- Alar base surgery **Dr.S.Gode**
- Avoiding rhinoplasty complications **Dr.V.Taş**
- Rhinoplasty fusion all concepts **Dr.C.Cordero**
- Endoscopic Nasal Septal Perforation Repair. **Dr.Ö.Kemal**

17:00 **More Revision Surgical Techniques (Moderators: Dr.N.Seyhun, Dr.A.Yildirim) 7 mins each**

- Ring rim grefts use in contracted skin **Dr.A.Yildirim**
- My personal approach to nasal dorsum augmentation **Dr.K.Yuca**
- Complicated Revision Rhinoplasty **Dr.A.Yildirim**
- Revision rhinoplasty with septum perforation **Dr.S.Gode**
- A new classification of Revision Rhinoplasties for Precision Rhinoplasty-Minor/Re-Shaping and Reconstructive Revisions - **Dr.N.Seyhun**
- Revision of Preservation Rhinoplasty Cases **Dr.T.Sozen**
- How to manage with the Preservation Revisions with Precision Tools. Never Ending Pitfalls of Preservation Rhinoplasty **Dr.E.İlhan**

18:00 **End Of Congress**
