

**3rd PERFECT CLINIC EVENT OF AESTHETIC  
SURGERY AND CORRECTIVE DERMATOLOGY:  
RHINOPLASTY, Dr. Enrico Robotti**

**May 18, 2019 Prague**

Dear Colleagues,

You are cordially invited to the third course in esthetic surgery and corrective dermatology, which will be held on May 18, 2019 at Perfect Clinic in Prague. The course will be divided into two branches: plastic surgery and esthetic dermatology. The plastic surgery section will focus on rhinoplasty with guest speaker Dr. Enrico Robotti, one of the top plastic surgeons in Italy, who presents at global esthetic surgery conferences and specializes in open-technique rhinoplasty. Lectures will focus on options for correcting nasal deformities and the techniques for performing various procedures. The esthetic dermatology course will focus on minimally invasive anti-aging procedures and the main presenter will be leading Czech dermatologist MUDr. Věra Terzijská.

We look forward to seeing you there.
